

Community Sponsor OPPORTUNITIES

Dear Friends,

Each day, more than 600 children in our community arrive at May Watts Elementary School to learn, to grow and to be inspired to achieve their greatest potential. There is no doubt it is the community support that sets May Watts apart from others. On this note, the May Watts PTA is proud to share our 2024-2025 community partner opportunities with you and offer you the chance to join us in making a significant impact on the May Watts community.

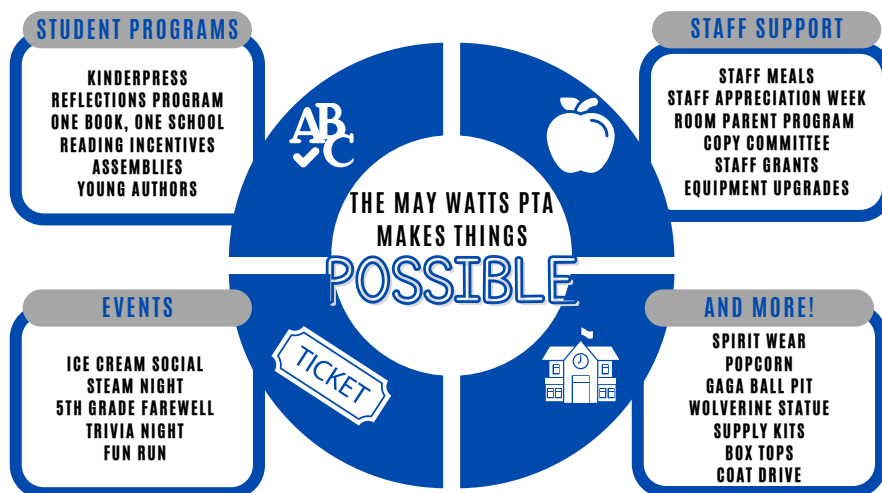

The May Watts PTA is dedicated to enhancing the educational environment at May Watts Elementary through various programs and activities that enrich the lives of our students. Our annual events are central to our fundraising efforts and community engagement. This year, we are hosting two key events:

- **Fun Run (Fall):** This popular event encourages fitness and fun among our students and families, creating a vibrant community atmosphere. 400+ participants of all ages join in, making it a great opportunity for community visibility and interaction.
- **Trivia Night (Spring):** A lively and engaging adults-only evening where parents and friends come together to test their knowledge in a friendly competition. This event not only fosters community spirit but also serves as a platform for local businesses to showcase their support for educational enrichment.

We are seeking sponsors who are passionate about supporting education and community engagement. As a sponsor, your organization will benefit from prominent recognition before, during, and after our events. The May Watts PTA is a nonprofit organization (EIN 36-2990640) and your donation is tax-deductible to the extent allowed by law.

Thank you in advance for your consideration and support of our students and school. Because of generous partners like you, we are able to bring smiles to our students and teachers faces.

Gratefully,
The May Watts PTA
